

STEPS TO LICENSING YOUR DOG WITH YOUR TOWN

Dog Licenses are due annually by April 1st.

For new dogs that have received their first rabies vaccination, or are new to the area, licensing must occur within 30 days of moving to Town/or getting the new dog.

If your dog is already registered, you will receive a renewal notice in early February each year.

To obtain a NEW dog license or RENEW an existing one:

1. Submit a current Rabies Certificate and Spay/Neuter Certificate (if your dog is fixed). If the rabies vaccination has not yet expired, you do not need to re-submit the certificate.
2. Submit license fee: pay via check, cash, or online with E-check or credit card.
 - a. \$9.00 for each spayed/neutered dog
 - b. \$13.00 for each intact dog
 - c. Licensing after the deadline will incur late fees: \$2.00 (fixed) or \$4.00 (intact)
