

LOIS WITH THE MONTGOMERY NEWS, JANURY 12, 2020

1/12.. The weather report for the weekend was right on again, we got the rain and swollen rivers, some did over flow, freezing rain and snow flurries. At the present time our sidewalk is all icy, just a thin sheet of the stuff. Our Church Service was cancelled this morning as we were watching the weather report and our Pastor thought it best to take their advice and stay off the roads, and most of us agreed. There was more ice at her home in Milton and St. Albans area earlier in the morning. I was at 32 and kept dropping a little as the day went by.

John and Margie Harrocks had a wonderful Christmas holiday visiting his brother Tom and wife Vicki Harrocks and their daughter Sarah, and son Christian and his wife Amanda and their three children all of North Carolina.

Kathy and Howard King were surprised when granddaughter Danielle Gamelin and her daughter Carter from Connecticut, showed up Christmas Eve. They all had a wonderful Christmas Day.

Sandy Bowman spent the Christmas Holiday with her Daughter Jill and hubby Eric Schoff and her grandson Rowan all of Maine.

John and Lynda Cluba are in their new home on Green Mountain Road; it was built by Mike Carpenter and his crew.
