

Can't hardly believe the first month of the new year is almost over and by the time the Courier comes out on Thursday it will be the last day. My husband said I don't think I will miss it, as it has been a cold, snowy month. As I sit here doing this column I can hear the weather man saying another storm (Jayden) is on its way for the middle of the week, he said keep your shovels handy.

This has been a couple of sad days for many in town, the loss of Chee Wee Pronto passing away on the 18th and visitations were held on the 25th; and a funeral service was held at St. Isidore's Parish Hall on the 26 with a memorial dinner provided by the Ladies of St. Isidore's.

Geraldine Jewett passed away this past week and her memorial service was held at Spears Funeral Home on 1/25 with all her immediate Family and Friends. Pastor Bonnie Hovermann officiated the service. Following the Memorial Service there was food and beverage catered by Lise Gates held at the Enosburg Country Clubhouse. (When the Lord calls our loved ones home, He leaves a gift of memories, hold on to these memories and let them bring you comfort during his/her loss) God Bless!

On Thursday, Jan. 31, the Quilting Circle Nimble Thimble will meet at the home of Jeannette Sylvester in St.Albans. They will take their own lunch and during this time of sitting around the table they will have make plans for the new year, go over goals and if anyone has new ideas bring them to the meeting.

Linda Van Gieson and daughter Lori went to Akwesasne Casino over the weekend, they had a very enjoyable time, great food and lots of laughs.
