

LOIS WITH THE MONTGOMERY NEWS, NOVEMBER 10,2024

11/6..I accompanied Sue Peters and her friends Elsie Saborowski, Patti Perl and. Carol Farmer to the Bowling Alley in Lowell. I have never done any bowling, but it sure looks interesting. Now at my age I do not do much lifting, and the bowling balls all seemed to heavy for me, when I tried to roll one it went in the gutter, all three tries, Yup did not even have beginners luck. But, I enjoyed watching people play and there were several from Montgomery that play over there, so I was with Friends. I got out away from TV and that was wonderful.

11/7..Lois Babbitt and her visiting sister Doris Williams from Massachusetts invited Connie McFarland and Me to come with them to St. Albans. We ate at one of our favorite places the “Lucky Buffet” and enjoyed our food very much. We then went to other shops that were a favorite to whoever wanted to go there, before returning home. While we were at the “Lucky Buffet” we met up with other local people,AND we got to Congratulate Penny Demar in winning back his seat as Our State Representative. We each had a wonderful fun filled afternoon. PS...11/5 The elections held around the states was well attended, the voting turn-out was exceptional.

11/7.. We heard from my Nephew Steve Courville and Sue Allen that they were leaving from St. Albans area today the Moving Van was to get them loaded up to head to Hickory, N.C. Penny received word that they were safely there Saturday. We wished them well and to enjoy their new home and North Carolina, they will be quite near Family members.

11/8..Kathy and Howard King had a nice Friday afternoon, with cousin Linda and her hubby Jim Foster coming from Washington State to visit. Also in attendance was cousin Bertha (Sister) Reed from Swanton and her brother Gerald (Junior) and wife Cheryl Jewett from Fairfield. It was a real nice Family visit, very enjoyable.

11/10.Merle Van Gieson took over the Sunday Service, that had been scheduled for John Gorton, but John tested positive for Covid Friday and was not feeling well. Merle took over officiating the prepared service for him, called on Vivian Elbe to read parts of Scripture. Today we honored the Birthday of our Organist Patrick Evans. Not forgetting our Veterans as that celebration is 11/11, we sang a Hymn in their Memory/Honor “Onward Christian Soldiers.” We welcomed Will.Moses at our Service today. A long time friend of mine, from Black Falls area.

We added a new name to Our Prayer list, William (BILL) Roberts has passed away. Bill and his wife Lynn purchased the property that was once Richard and Prudy Ryea’s. Bill has been back and forth for the past years as he continued to be there in Maryland for his Dental Practice. He and Lynn have had their place for sale in Maryland, she has been here in Montgomery with their son off and on. Our Heartfelt Sympathy to the Roberts Family. This was a shocker to all that knew him up here, details unknown at this time what caused his death.
