

LOIS WITH THE MONTGOMERY NEWS, SUNDAY, OCT. 23, 2022

Another nice weekend, we have been blessed with many of them. Penny walked up to visit outside for awhile, as she has had a sniffle, and we are getting much better from what ever we had, it seems that there are many different germs going around. John Gorton came today to do our Church Service for us, he was feeling better from his accident and also from covid. Next Sunday, Rev. Bill Neil has agreed to come up to do another Sunday Service for us, Please feel welcome to come each and every Sunday to join us.

In last week's Montgomery News, This was omitted in the write up under Richard Ryea's fellowship luncheon that it was catered by "The Phoenix House" in West Berkshire, the Ladies of St. Isidore's did the serving, etc.

Gila Domina has had visits from David McCormack from Maine, her son Michael from Massachusetts, her daughter Ruth and Hubby Jim Smith from Vt.. Ruth and Jim come once a week at least to help out and visit.

10/22. The Craft Show with a Twist was held Saturday at the Town Hall. I went up early to give our daughter Veronica a hand bringing in all her items for the event. She has a car full and all well organized to bring and to do the same when she leaves, Sonny and I went up in the afternoon to help her bring things to the car. While I was there I checked out all the Crafters that came. It was amazing to see all the items that people make, and mostly all done by hands, threads, beads, etc. What are you looking for could be found some where amongst the many items that were there. Just to name a few of the things homemade pickles, jams, maple products, wooden bowls, Jewelry, paintings, Native American leather goods, homemade soaps and lotions, Christmas ornaments several varieties, homemade cards, homemade chocolates, herbal creams and tinctures, Pottery, Vermont logo items, locally grown beef, pork and poultry. Margaret Jones has over 50 Crafters that sell things in her Crafty Li'l Gift Shop right here in Montgomery Center on Main Street, they are open every weekend.
