10/29.. Connie McFarland went to Morrisville to visit her sister Theresa Lamore and together the sisters celebrated their brother Walter Lumbra's 87th birthday at the Manor where they reside. They had a wonderful day. 11/2.. Their cousin Geraldine Rublee and daughter Vicky Strout from Maine, made arrangements at a hotel in Morrisville, to be near Theresa and Walter, they went and picked them up and brought them to Montgomery and Connie prepared a dinner for everyone.. ****Quoted. If my body were a car, I would be trading it in for a newer model. I've got bumps, dents, scratches, and my head-lights are out of focus. My gear-box is seizing up and it takes me hours to reach maximum speed. I over heat for no reason and every time I sneeze, cough or laugh either my radiator leaks or my exhaust back fires!! ** Have a good week folks, As I'm writing this the weather report is predicting another snow storm for the first part of the week. It just seems to come earlier each year and its SO COLD, don't you think? Brrrrr!! Sending M.L.T.A.**
