

LOIS WITH THE THE MONTGOMERY NEWS, NOVEMBER 12, 2023

IT's Sunday the second day of the rifle deer hunting season, and my neighbors Frank Elkins and Connor Walker each got a 3 pointer buck. That was the first day of the hunt, Congratulations!! Our Church Service was officiated by John Gorton bringing all of us his special Sermon entitled "Whom Will You Serve." We all signed a Birthday card for our organist Patrick Evans and sang Happy Birthday to him as he will celebration 11/13. Our weather has been cloudy here all day so far and its cold out. My daughter Penny just loves it and seems not to mind that cold air, she said it feels great. She and her son David Newton took their dog Bella for a nice walk and play time this morning.

SATURDAY afternoon. I called the Carpenter camp telephone number to talk with Patricia but Charlie answered, which surprised the heck out of me but we had a nice chat and he is doing well, just taking longer to heal, and that comes with age, as I have also found out. He misses going out for the hunting season but knowing that will come later. God Bless you and Patricia for helping one another and the Love you and your Family have for one another.
