

LOIS WITH THE MONTGOMERY NEWS, DECEMBER 1, 2024

This week, I hope everyone has enjoyed their Thanksgiving Dinner, with Family and Friends. Then a few of my family members got hit by the snowstorm that came through Thursday, that lived to the South of Montgomery, we had rain all day. But once the sun went down for the day and it gets cooler we got our snow during the night. The snow squalls came through a few times during Fri. & Sat. and left us a little more snow. Thankfully we are not New York getting all that Lake effect snow, not by inches but by feet piling up on them, but that happens every year. They are used to it.

12/1..Our Church Service was planned and officiated but Merle Van Gieson, today the service Was "Our Greening Service" decorating our Church for the Advent Season, and Communion. Our organist Patrick Evans was kept busy today thankfully he never seems surprised by our request. He not only plays all our HYMNS, but remembers A few Christmas songs, which he played while the tree was being decorated, and was asked to read the Bible Scriptures. John Gorton, Sandy Bowman, Bob & Vivian Elbe, Lois Lumbra all helped Merle during the Service. It all went well and most the Congregation took part somewhere till it was completed. Thanks to all for helping out..very much appreciated.

I'am sharing this little Poem with my readers:

OUR THANKSGIVING FEAST HAS NOW BECOME, LEFTOVERS TO EAT....
MANY GOOD SANDWICHES AND CASSEROLES, CAN'T BE BEAT...
WE HAVE ENJOYED THE VEGGIES, RELISH AND PUMPKIN PIE..
OR WAS IT MINCEMEAT OR APPLE THAT LOOKED BETTER TO THE EYE.
THEN THE LADIES IN THE KITCHEN, CLEANING UP THE DISHES...
WHEN THE MEN HEAD FOR THE T.V. TO WATCH WHATEVER THEIR WISHES..
SOME MEN ARE NOT PRESENT ON THIS FAMILY DAY...
THEY ENJOY DEER HUNTING—AND OUT OF THE COOKS WAY.
ARE WE THANKFUL FOR SOMETHING, SOMEONE HERE OR THERE?
YES, WE HAVE BEEN BLESSED BY COMMUNITIES WHOM SHOWED THEY CARED.
WE ARE THANKFUL FOR EVERYONE WHO CAME TO SEARCH...
FOR THE POLICE, FIRE AND RESCUE, FOR THE CONGREGATIONS IN EVERY CHURCH.
YES,THIS LADY WAS A SISTER, AUNT, GRAMMIE, FRIEND, WIFE AND MOTHER...
SHE WAS MOST PRECIOUS,ADORED AND LOVED BY MY ELDEST BROTHER.
WE ARE ALL COMFORTED AND BLESSED THAT THE TWO ARE TOGETHER AGAIN.
THEREFORE THIS IS TIME TO BRING THIS TO AN END.

GOD BLESS YOU ALL FOR PRAYERS,HELP, FOOD AND YOUR FRIENDSHIP. MY LOVE TO YOU
ALL....SINCERELY...LOIS.....11/28-30/2024

***Due to rising costs of medical test. All you can do is pee under a tree and wait for a bit. IF ants gather you've got diabetes. IF the grass dries up its high sodium/salt. If it smells like BBQ you have high cholesterol. AND IF you forgot to pull up your pants you've got Alzheimers. ***

Now this is all for this week, enjoy, and kids are all back to school this week after a week off. Love To All
