

## LOIS WITH THE MONTGOMERY NEWS, DECEMBER 8, 2019

What a big surprise this morning, the SUN, it was out for a few hours, and warmed up this cold cold morning, we had just 2 above to start the day, and as I start this column its 28. One more thing about the weather, Maggie just came down with her extension pole to rearrange the lights on the park tree, and that South wind was coming up blowing the snow off the tree right in our faces. Anyhow we found lights out and we put two more strings up as far as we could go. Thanks to Randy St.Onge he came on Saturday and got them plugged in. We had left the lights in the tree since turning them off in January. Don't look to bad once its dark. That tree is getting SO BIG!!

12/6..The First Friday of the month Senior Luncheon was held at the Conference Room at the Public Safety Building; 16 seniors came to enjoy our soup and bread provided by Jay Peak. Thanks to Judith Darencourt for all her planning and getting volunteers to come and help serve and clean up. They all work so well together and very polite and great at serving. Thank You one and all. We all sang Happy Birthday to Judith as she celebrates her special day on the 9<sup>th</sup>. As Sandy Bowman and I were leaving we started singing "We Wish You a Merry Christmas."

\*\*The annual Christmas Eve pageant was being held at a local Church with all the parents, grandparents, and friends. When the curtain was raised, the teacher noticed that the four little girls were not in order as they had practiced, they were in order to spell out S T A R.. The girls in their excitement went in backwards and held out their placards that spelled out R A T S. This is all..and with the holidays upon us, and all the activities, shopping and decorating, we all seem to be doing the same things. Keep well and stay healthy!!
