

**LOIS WITH THE MONTGOMERY NEWS, FEBRUARY 5, 2023**

**2/3.. I received a very interesting email from my friend Joy Bosley in St. Albans. She sent me an email of her Grandson Cooper O'Connell accomplishment in becoming one of many entries enter into the Vermont Youth Council for Franklin County. Cooper is a Sophomore at BFA and he had submitted an online application form and was in his geometry class when he received the message that he was accepted to become the only Youth to represent Franklin County Youth Council of Vermont. This is a great honor to Cooper and for all Youth that entered and have been accepted from other Counties here in Vermont. Congratulations to Cooper!!**

**2/4. I could not get any news from the St. Onge Family in regards to Lorraine's Birthday that she celebrated on Saturday. But I kept trying and what I heard was most the Family are in Florida. Stacey had the Post Office key so that Brook could not pick up her mail to be delivered Saturday. But Lorraine will get it later and enjoy it when it arrives to her. There is a scare of Covid down there also.**

**2/5. Our Church Service had a few changes today, Rev. Bob Purvee was scheduled to come and do our Church Service with Communion. He called Merle Saturday night saying he tested positive for Covid and would he do the service he had planned, and Merle agreed. Bob and Vivian Elbe did not come up as Bob recently had surgery, Sandy Bowman could not start her car and that made a few that did not attend. There were many that had cars or trucks that would not start especially Saturday morning as it was minus 25 below or less around the area.. That wind was brutal. I did not go out of the house at all Friday and Saturday afternoon while the sun was out, I dressed up to keep warm as the wind was still blowing.. and shoveled out the paths and got our mail and my neighbor Gila Domina. SO this afternoon with the Sun shining our temp is up to 30 again. Boy, years ago that cold snap stayed around for days and days. BRRRR!**

**I had a poem delivered to me this week by Esther Varela, that was written by Sandra D. Bricker. I am going to share it with You as Valentine's Day is coming Up SOOOOOOn. Entitled "Love Recipe for a Happy Life."**
