

LOIS WITH THE MONTGOMERY NEWS, SUNDAY, MARCH 10,2024

3/10.An early morning rain turned into a heavy snow storm for the higher elevations. Merle and Linda Van Gieson took them 34 minutes to come down from their place to Church, they had over 7 inches up their way. Here in the village we had about 2 inches, also heavy wet snow. It has gone to a misty rain again this afternoon. Merle made it in time to do our morning Church Service with his message entitled "Jesus Saves." For a devotional, Merle read a poem I had written about him and his truck, Merle was at a Church Conference meeting over 200 miles. Away when his truck broke down and he had to return home using only 3rd gear. Vivian Elbe was called upon to do the Bible readings for today, Sandy Bowman was in charge of Prayers and Concerns from the congregation. Merle and Patrick Evans wore their new Cross pins they received last week in their gift bag of being Faithful Servants to this Church, Lois wanted the Congregation to see they were wearing them proudly. John Gorton will fill the pulpit next Sunday 3/17..

3/4. Penny saw a robin, a sign of Spring. But we have had such a mild winter, for us Vermonters, i keep saying we will probably get our winter weather when we expect May flowers. Hope I'm wrong. This warm weather will probably end sugaring. I got me a small bottle of new syrup today just to have a taste, will make some pancakes. Yummy!! From the wild side of life, Sue Peters told me she has over 30 turkeys at her property almost daily and beautiful deer. She has a lovely spot for almost any kind of animal.

3/8..Sue Peter's and me attended this fund raiser for the 8th grade class trip; the Family Night Karaoke, Spaghetti Dinner and the drawing of the Vermont Theme Quilt that was donated to the 8th Graders for a fund raiser by the Montgomery Quilting Circle, for their 8th grade class trip to Washington, DC. Sue and I arrived as Principal Sandy Alexander was leaving, she stopped and Welcomed us and let us in to the Gym where this event was to take place. The 8th graders were dressed up with aprons on to serve everyone as people came and were seated. The meal went smoothly, the waitresses and waiters all did a fabulous job serving. The 8th grade class had made several kinds of desserts for an additional fund raiser. Several children had signed up to sing karaoke, they all did well but the little boy Henning Daberer became the show stopper, son of Mr.& Mrs. Karl Daberer. HE held onto that microphone like a pro and sang. Sue and I said he was our STAR of the show. The drawing of the Quilt was held with Stacy Doe becoming the winner. Congratulations !!! Stacy works at the School Office as Administrative Assistant. This was truly a Family evening to get out with their family to eat and the children had lots of fun with their Friends to play in that huge gym.
