

LOIS WITH THE MONTGOMERY NEWS, MARCH 19, 2023

3/14. The March 500 Card Club had planned to meet at the home of Sue Peter's. WELL..the storm made other plans for them as the driveway up to Sue's home is rather steep and with the snow storm made it slippery. Lutz came and helped get the cars back on the road and everyone headed to lower grounds and met at the home of Therese Begnoche. Sue packed up all her snacks that she had prepared for the afternoon. Yes, we had quite a lot of snow out of this storm. The ending scores were Debbi Chauvin for high score, second high was Sandy Brown a new player from Richford; most horses was a tie between Brent Godin and Kathy Ross. Everyone had an amazing enjoyable afternoon.

Kathyrn and Howard King enjoyed their annual yearly Family and Friends St. Patricks Corned Beef and Cabbage dinner on Sunday, March 19 at their home. In attendance were her brothers Wayne and his wife Evelyn Jewett, Gerald Jr. and wife Cheryl Jewett; Kathyrns cousin Marilyn and Ed Gelinias from Alburgh, Vt.; Niece Linny Jewett and her Grandson Isaac Sharkey and her special fellow Jason Cartwright from Barre, Vt.; Gary Tetreault, Jeff Jewett, and Lois Lumbra. It was a lovely prepared dinner and everyone enjoyed seeing one another and sitting around to chit-chat after dinner.

I felt so blessed to be invited to join this wonderful Jewett/King Family dinner that I have known all my married life and they were all friends of my now deceased husband Sonny. Yes, Sonny has had a long illness that was very painful to him, he gave up eating as he said the acid reflux was horrendous. He passed away Saturday, March 18 at his home where he wanted to be. Bayada Hospice Care was contacted and they accepted our request to help keep Sonny comfortable during his last days with us. I cannot say enough good things about their professionalism, every nurse that came here were so kind, supportive and loving. Sonny is now where he wanted to be, we just want HIM to be resting peacefully. Right now our thoughts are to have Frankie and Sonny Memorial May 27, a Committal Service and then we can meet at the Rec. Center following the Cemetery Service with our Family and Friends. That is our plan at this time.

Today, Sunday March 19 our Church Service was prepared and officiated by Merle Van Gieson and his message was entitled, "None So Blind, As They Will Not See." We are so blessed to have Merle, John Gorton our Lay Servants, and Rev. Purvee that comes the first Sunday of each month to do a service with communion. We would like more people to come and enjoy our services. Give us a try!!!

Birthday Wishes to: Allen Baker 3/26; Darren Drevik, Hudson Vallender 3/27; Nancy Lumbra 3/30.

**As I watch this generation try to rewrite our history, one thing I'm sure of, it will be misspelled and have no punctuation. * It's not my age that bothers me it's the side effects. ** As I am bringing this to a close the sun is coming out to say hi..I am still around. That wind is brutal today and has been whipping the snow way up in the air. Take Care, Stay safe..M.L.T.A.
