

LOIS WITH THE MONTGOMERY NEWS..MARCH 20, 2022

Our First Day of Spring, came in raining and a very gloomy morning, the back roads need the rain to help make mud..Spring brings Mud Season and Maple Sap. Heard on the morning news that down to the South of us, sugaring is probably over for them as it has warmed up and the trees will soon be budding down that way. It is, what it is.. Same every year and we all manage to get through it. A Special Thanks to Merle Van Gieson for doing the Sunday Worship Service for us. The Lay Servants are keeping our Church Worship Service going and we are so Thankful, and Appreciative of their Faithfulness and Dedication to this Community. God Bless!!

Hope everyone had a great St.Patrick's Dinner of Corned Beef and Cabbage.. Missed it this year. Talked with Connie McFarland and she said she prepared the dinner but had it to eat, all by herself.. She had a Spaghetti and meat sauce Sunday Dinner on the 13th with her family coming to enjoy it with her.

Today 3/20, Kathy and Howard King had their St. Patrick's Corned Beef and Cabbage Dinner with her Family, in attendance were Gerald Jr. and Cheryl Jewett from Fairfield, Wayne and Evelyn Jewett from Enosburg, Bobby and Donna Jewett from Montpelier and their Granddaughter, and Gary Tetreault. It was a very wonderful day with Family. I didn't miss it after all..Thanks Kathy and Howard for sending me up some of your delicious dinner.Yummy!
