

LOIS WITH THE MONTGOMERY NEW, MARCH 24, 2024

The weather predictions were correct, we got a major SNOW STORM, more in the Southern parts of the State, down where my brother-in-law lives near Ascutney Mtn. They got some snow this time, when Montgomery area got 10 inches of snow a couple weeks ago, they did not get any. SO this storm gave them the extra they did not receive, good ole Mother Nature never lets you go without. Today just as the weather man said we would have clear skies and sunshine. It has kept Penny outside, she has shoveled around the yard and it is melting off, early this morning she went down and cleaned the sidewalk at Church, later went down and helped her son shovel their long driveway and even went for a walk with dog Bella and son David.

Sue Peters had invited me to come with her to the Senior Dinner that is prepared by Parma Jewett, the third Monday of each month. She had a delicious Corned Beef and Cabbage, fresh homemade rolls, cake for dessert. MY daughter Veronica came from Johnson and joined us. She wanted to be with me as this was one year since the passing of her Dad and my Hubby Sonny 3/18/23.

John Gorton came to do our Palm Sunday Service, our Palm tree was just perfect, so nice and green. Johns' sermon that he prepared was entitled " The Descent." I was given the palm tree several years ago by the ladies at the Real-Estate Office, in the Center. I have kept it down at the Church in the Fellowship Hall. John Gorton is having a Maundy Service down at his Church in Sheldon at 6 p.m. Merle has planned a Good Friday Service for 5 p.m. here at the Montgomery United Methodist Church. There will be a Good Friday Service at the Highgate Church at 7 P.M.

Penny and I were coming home Friday from grocery shopping and as we came onto route 118 in Berkshire, Penny noticed the geese in the river swimming around and she was going slow to watch them. She continued on and here comes this big bird..an eagle, came right over us, I almost missed it, but saw the wide wing span as it flew down near the river.

Sincere Sympathy to the Family of Melinda Nichols Swearengin. May she Rest In Peace, Love to all Her Family from all her Friends of The Montgomery United Methodist Church. God Bless!!

Happy Birthday to: Marty Lumbra, Brenda Combs, 4/3; Nancy Martinson 4/5; Alyssa Fuller, Megan Stanley 4/6.

I've often wanted to drown my troubles but I can't get my wife to go swimming.(quoted by J. Carter)* What do you call a man that has lost 90% of his intelligence? Divorced ** That's all for now as we finish up March. Sunday 3/31/24 **HAPPY HAPPY EASTER**. LOVE TO ALL.
