

LOIS WITH THE MONTGOMERY NEWS..MARCH 28, 2021

Will get started on my Column, the weather has been raining here most the day, and have seen the Montgomery Road Crew out hauling loads of gravel, the grader and bucket loaders all busy. I have heard that the back roads are horrible and most roads will be closed down, only people living on the roads can travel them. I know Thursday, I was outside on my lawn and the UPS Driver asked if I still took parcels for people, and I said yes, for people that I know. When I worked at the Post Office I knew several people on the back roads and often during a snow storm or icy conditions and in the Spring muddy roads. I have taken parcels for people and I would call and let them know I have a delivered parcel here for them. So, Friday the UPS Driver stopped by to leave a small parcel for a family on Black Falls Road. He told me at this time the back roads are very very bad this year. If we should get a freeze this week, the Road Crew once again could get out there and make repairs. Wwe can sputter about so many things the dusty streets, the muddy back roads, be Thankful we didn't get the horrible weather our Southern states got this week.

Our Palm Sunday Church Service was held on Zoom with 55 persons attending, from Montgomery, Rice Hill and Sheldon United Methodist Churches. Pastor Bonnie Hovermann included several volunteers to read Scripture, take part in the Passion Story and Children Moments, Special Prayers for all, and the Lord's Prayer. It was a beautiful service and Pastor Bonnie had given out Palm Crosses for all of us. This is Holy Week and there are many Services being offered throughout the week. God Bless!!!
