

LOIS WITH THE MONTGOMERY NEWS, APRIL 18,2021

This has been a week with a little of everything for weather, today Sunday has been over cast here so far but seems like it is trying to clear off. Our Church service was held on Zoom and that has been a good connection for most of us to share the Service that Pastor Bonnie does for us. Today her husband Nord read the three Bible reading from his hospital bed. He is doing much better and that is good NEWS.

Veronica sent me a picture she had taken this morning of two geese in flight and looked like they were looking for a place to come down. She is out every day walking and taking their two dogs for their run and fun. Merle and Linda Van Gieson were at the Church Service this morning and during our chat time he mentioned that they had geese, ducks and a hen turkey come this weekend and bluebirds. Coming home last week from Enosburg in a field we saw three turkey vultures eating on something and a crow was hoping to get in for a taste.

Sandy Bowman is sharing her very special news from her son Joshua Potvin, as he and his fiancée Casey were married Saturday, April 17 at the "Church of Christ" in Lakeland, Florida. Congratulations!! (May your Love begin with "Once upon a time...and end with Happily ever after." Best wishes to you both on your wedding day. May God bless the two of you as you become one.)

Maggie Elkins said it seemed so good to get out this week with her friends, MaryAnne Mercy and Pamela Colburn, the three ate at the Abbey Restaurant and enjoyed a wonderful visit.

PLEASE NOTE THERE WILL BE NO RUMMAGE SALE AT THE UNITED METHODIST CHURCH THIS YEAR.
