

LOIS WITH THE MONTGOMERY NEWS, MAY 14, 2023

Happy Mother's Day it was..and I think all Mother's and new Mother's to be have all been remembered in some special way. I know I was. My daughter's made sure of that, and once home had a wonderful visit with Son Dale in Mass. There were three generations of us that met at the Cajun in Lowell for noon time. Great Grand Mother Lois, Grand Mother Veronica, Mother Samantha and her daughter Natalie. Natalie is doing great from her Surgery as so many folks were praying for her and for that we are all Thankful for your support. John Gorton was our preacher man today bringing the message of "Welcome To The Known God." Patrick Evans found the music to "MOTHER" I knew the words and sent them to John and he made copies for everyone, John was not familiar with that song. But caught right on. Then John took the music and words with him to do at his other Church Service that he was scheduled for. God Bless these Fellows!!

5/9..The 500 Card Club met at the home of Sue Wilson, and Nancy Martinson was hostess for May, She provided all the snacks for the afternoon, I heard they were delicious. Once the afternoon scores were totaled, high score was Sue Cherrier with 3580; second high was Connie McFarland with 2700; Low score was Sue Wilson with 860; and most horses went to Nancy Martinson having 4. Kathy Ross was subbing in the absence of Sue Peters. The June Meeting will be hosted by Carmen Scott at her home.

5/11.. A Mother's Day Brunch was held at the Dairy Center in Enosburg and it was well attended and the band "DEUCES WILD" was playing and there was lots of dancing and lots of fun for everyone. The tea cup auction was well received with so many things brought in to sell on tickets. Lise Gates was missed at the dinner as she was recuperating from surgery. She said she is doing well just takes too much time to heal. We all wish her a speedy recovery.

What's New In Town: New Fiber Optic wiring has been put through town this week. The Montgomery School Children have been planting new trees at the Water Dept. Property on Fuller Bridge Road 5/11. Saturday 5/12 there were people and children her in town planting fruit trees up at the same property mentioned. Just a little reminder that the Montgomery Historical Society will be sponsoring the Memorial Day Service here at the Montgomery Village Cemetery starting at noon time..refreshments will follow down on the Village Park and a wreath will be placed at the Veterans Memorial Monument. Everyone invited.

We are all deeply saddened for the loss of our children and we have all been so well supported by prayers, sharing our support and our LOVE with each other. God Bless us all.

`Senior Points of Wisdom: It's not my age that bothers me, it's the side effects. ** Common sense is like deodorant. The people who need it most never use it. Have a nice week..M.L.T.A.
