

## LOIS WITH THE MONTGOMERY NEWS, MAY 30, 2021

Here we are finishing up the month of May, and for many that will be just fine, Sonny said maybe this will be the last run of sap for the year. He always says Vermont has 9 months of winter and 3 months of poor skiing. It is what it is. I covered the newly planted barrels of flowers here in the Village as they were too pretty to let the frost get them, and it would have been as there was a frost Friday morning. I left the covering on all day and took them off Saturday morning. Marsha Phillips sent me an email that I will pass along to the volunteers that prepared the barrels for planting and then proceeded to plant the flowers, THANK-YOU for doing such a good job, the BARRELS LOOK WONDERFUL. Saturday morning while I was out removing the coverings off the plants, Roger Garceau was out early putting new FLAGS up around the Park, preparing for Memorial Day, Thanks Roger, it was nice meeting you. We can all be so proud of our preparations for this Special Holiday, as Our Veterans all deserve to be remembered. The Village Park has a new Flag flying proudly every day, the Veterans Monument was cleaned by Lyndol and Lila Elkins, new flowers in all the barrels around the Village and Center Thanks to the Garden Club, and it is kept well mowed and trimmed by Avery and his crew. I am sorry to have missed the Memorial Day Event held this Sunday at the Clapp Cemetery, sure hope they had a good turnout.

Congratulations to Abby Dixon-Boles, she was the winner of the Dr. Winston Lewis Scholarship fund, that is sponsored by the M. Historical Society.

The Quilting Circle met at the home of Sue Peters with 5 members coming and they all enjoyed their lunch and chat time, as it's always wonderful to catch up with each person. They had a brief meeting once lunch was done, and then they made a sunshine quilt, making a total of seven of their goal of 25. They have lots of material amongst them and on rainy days they get to use that material to make a sunshine quilt instead of being out in their gardens. The June gathering will be held at the barn of Cheryl Heneveld.

The "FARMER'S MARKET" will have its first event on JULY 10..from 9 a.m. – 1 p.m. at the lawn of the Montgomery Historical Society right here on Main Street..Route 118. Interested Vendors please check with Sue Wilson at 326-4189.

\*\*During a patient's 2 weeks follow up appointment with his cardiologist, he informed the Doctor he was having a problem with one of his medications. The Dr. asked which one..He said the PATCH, He was told to put a new one on every 3 hours, and told the Dr. he was running out of room to put them.. The Dr. Said let me take a look,

he discovered that the man had over 50 patches stuck to his body. The Dr. had a good laugh but wrote out a new order for him to take the old patch off before putting on a new one.\*\*

Hope everyone has a wonderful week!! Sonny and I were invited over to my sister-in-law Roberta Martin for a picnic Sunday, with her sister Rose Lamoureux, son Gary and his friend Louise all coming together for a picnic inside as the weather was much to cool outside and another benefit of being inside NO BUGGY BUGS. Gary made the most delicious BBQ chicken..YUMMMMMMY! ( M.L.T.A.)
