Oh, what a beautiful day, it is warming up this afternoon and THAT FEELS SO GOOD. Our Rummage and Bake sale are over and I want to THANK everyone for helping out, and for everyone that came to make purchases. A VERY SPECIAL THANKS TO DAREN AND LYNN DREVIK FOR allowing us to use their big 20x26 ft tent, and Thanks to Frank Elkins for helping to put the tent up and take it down. Daren appreciated his help also. The Men at the Fire Department brought down their tent and set it up on the Village Park for us, trying to keep things under cover. This Sale had become big and it is something the Community realized was a great fund raiser for the United Methodist Women. It has to come to an end..all things do sooner or later, Right? We will continue to have the Rummage and Bake Sale things ONLY for the inside of our Church. We no longer will have tents, or want anything that would fill them up. It is just to over whelming for all of us. We plan to continue to have clean clothes and the baked goods. Our next Sale will be in October. SO, I want to Thank everyone that has helped out from the Community, YOU know who YOU are and I Sincerely Thank-You from the bottom of my heart..God Bless YOU all.

4/27..Last weekend was Youth Turkey Hunt and a few of our local youth shot a turkey, Connor and Liam Walker, Quincy Decker, Miley Decker, and Jacob Barnes. Congratulations!!

This has been a very sad week here in Montgomery for most of us; Jared McGinley was found deceased in his home on North Hill, by his father Tim McGinley. The rest of the story has brought so many tears we could almost cause a flood. Jared lived across the street from us before moving up on North Hill. He was so polite to me and such a kind spirited person, always willing to help where needed. God Bless his Family and Friends as they carry on without this young man. (May you Rest In Peace, Jared.)

5/3.Thanks so much to Judith Derancourt for the luncheon she planned for the First Friday in May for all local Senior Citizens. Thanks to Parma Jewett, Jay Peak, Mrs. Celentano, and all the volunteers that come to help serve and clean up. It was a delicious Luncheon/dinner. Thank-You!!!

5/4..Maggie Elkins attended the Graduation Ceremony at Sterling College in Craftsbury Commons, Vt. where her granddaughter Emma Roger graduated, she majored in Sustainable Living in Agriculture Science, and minor Ecology. In attendance was her Mom Kelly and stepfather Kevin Maxfield, and his Mother Sandy; and her Father Clem and Jeanne Roger from Georgia, Vt; Grandmother Marianne Roger from Montreal; Aunt Caroline Roger and Uncle Thierry Roger all came and celebrated this wonderful event . Emma had three Grandmothers in attendance. Congratulations Emma!!

When you get old and your eyes start to blur, you don't need stronger glasses, it might be you need weaker drinks. Laugh a little, laugh a lot..just keep on doing it. This Sunday coming is MOTHERS'S DAY.. Enjoy this day with that special MOM. Have a nice week folks..M.L.T.A,
