

LOIS WITH THE MONTGOMERY NEWS, JUNE 12, 2022

NO, complaints about this beautiful Sunday, the weather was perfect; our Sunday Church Service was a real Blessing, Thanks to John Gorton; our picnic out under our apple tree was delicious and very enjoyable and then we came in and had our little nap which was very comforting. Oh, for my flowers today for Church as I usually take a bouquet from neighbors that let me pick from their gardens. BUT today I picked from my own wild garden of Jack-in –a pulpits, I have several that came up this year, and one was given to me about 35-40 years ago, John Gordon had a quiet visitor in the pulpit with him today, he had not looked at one close up and this one got a good looking over. Sandy Bowman wanted to take it and plant it at her home, it came up out of the ground so easy and had nice roots to replant. I'm sure she will have good luck with it.

During this beautiful day, Donna St.Onge came home and spent a few hours with her mother Lorraine. She took her mom for a ride in her chariot (wheel chair) down to the Village Park. The park had been newly mowed, and the flower beds had been groomed and it was a nice day to get out of the house. I am sure Lorraine had a wonderful afternoon with her daughter.

Congratulations to all the Montgomery Graduates that graduated this past Saturday in Enosburg, with the Graduation Exercise held on Lincoln Park. It was such a beautiful day and each student went up on the bandstand to receive their diploma and came down and stood there to have their picture taken. Congratulations to Connor Walker, Trillian Howell, Alexis Madden, Isaac Lumbra, MacKenzie Maibaum, Wonder Billadeau, Madeline Spaulding.
