

LOIS WITH THE MONTGOMERY NEWS, JUNE 9,2024

What a difference a day makes, Brrrrr it's cold today 6/9. I had my furnace on earlier this morning and I feel like I need it on now. My feet are cold with just my sandals on, so will go and dress my feet with socks and shoes, well I happen to notice my nice warm slippers would do and sure enough they are.

Our Church Service was done by John Gorton. He had prepared a lovely service his message entitled "What Spirit Possesses You." John's haying came to a stop with all this rain this week. We have had thundershowers and wind gust around Franklin County most the week. Friday we had some lightning that hit property up above me through the Fuller Bridge, but where I do not know at this time, the fire department was called out and they went by here with sirens blaring. Well, as I look out side the sun is peeking out, maybe it will warm up a bit.

Thursday, Veronica came by for a short visit, she was bringing some of her paintings to the MCA They will be having an Art showing sometime soon. Esther Varela noticed her car here and she has been wanting to see Veronica as Esther also likes to find different stones that resemble something, as Veronica finds a foot with no toes on her walk, she finds small stones and adds them to the foot. Well Esther found a stone in the shape of a shoe and wanted Veronica and me to see it. Another thing we like finding things in the clouds. Veronica takes pictures of these little creatures and has made cards with her pics, but now she is painting things.

Saturday, 6/8..Natalie Marston was laid to rest here in the Village Cemetery with her Family and Friends, gathering close by. Rev Lyle Willey officiated the Graveside Committal Service. Natalie grew up here in town and attended schools here, and later married Arthur Marston.

Saturday 6/8..A Graveside Committal Service was held for Betty Lumbra Courville, at the Holy Cross Cemetery in St. Albans, Vt. Betty was sister to my late husband Sonny Lumbra. Betty and Ray had over 70 years of married life and enjoyed raising their two sons Steve and Marc. They had a camp at Maquam Shore and for years they had Family Reunions coming each summer to enjoy the Lake, boating, swimming and fishing. The Family members all have wonderful memories at the Courville Camp.
