7/13..The 500 Card club met at the home of Sue Cherrier with the ladies coming together at noon time and to meet and greet and enjoy dessert before playing cards. Sue had snacks and drinks prepared for the afternoon for everyone to help themselves. The afternoon ended with high score going to Carmen Scott (5220), second high was Margie Cummings (2460), low score was Debbi Chauvin (530), most horses won by Sue Wilson with a high card draw between her and Connie McFarland. Subs were Sue Wilson and Anita Woodward. Marge C. will host the August game.

Veronica De Saint Phalle came Saturday to the Farmers's Market and on her way in to town she saw a small black bear crossing the road up near Billy and Denise Baker's home. That was her first bear sighting. I saw a beautiful small deer on our way to the Center recently eating leaves off the tree or at least that is what it looked like.

Sincere Sympathy to the Family and Friends of Stephanie Brunton. God Bless everyone she has left behind.

Here we are in July over half way through; Not much rain up North but nice sunshine and skies of blue. We water our gardens to keep them growing; The corn fields are thriving since their Spring sowing. The Farmer's are getting in a good crop of hay; they work very hard day after day. The brooks around here are very, very low; Where are the fish, where do they really go? The Farmer's Market held each Saturday on the Historical Society Lawn; The Vendors bring in fresh Veggies, crafts, jewelry, baked goods and sell until hopefully its all gone. Come and enjoy the events that go on here in Montgomery; Never know who you might run into, might even be ME.

The Farmer's Market will be held on each Saturday from now until sometime in September. On July 31 there will be a Group coming on the Village Park to GIVEAWAY CLOTHING AND STUFF FROM 10 A.M. – 3 P.M. They usually have sizes that will fit everyone. Come and Bring a Friend.
