8/19..Susie Edwin's and Maggie Elkins played golf in the Ladies Invitational last weekend. The weather was not very nice, but we did not let the rain showers dampen our fun, seeing, talking with our friends. We were lucky enough to our flight and longest drive for the senior group. It was an enjoyable day. Hope everyone is around for next year when we will look forward to do this again.

8/26..The Grateful Treads Mountain Bike Club held it 23rd annual Mountain Bike Festival this past weekend. There were about 40 riders enjoying group trail rides Friday evening, meeting Saturday in the Center around 10 a.m. for the day and also Sunday. The report was the rocks and roots were a bit slippery but the trails were riding well. Everyone had a lots of fun during the biggest annual fundraiser, for the bike club. Special Thanks to the Jay Cloud Cyclery and Café Oma of Montgomery Center for hosting this event.
