

LOIS WITH THE MONTGOMERY NEWS, AUGUST 4, 2024

7/29..Sue Peters was going to pick up a quilt that she had a friend finish for her, she called on me to come with her. We went to Derby to pick up the quilt, and when going inside the ladies home she had a quilt up on a roller that she and her husband were working on. I'm telling you just since being around these artistic people that do all these beautiful quilts, I'm constantly amazed at their work of ART. There are so many patterns that are available and I have seen so many of them as they are shared. Well on our way home it was lunch time and we stopped at Jay Country Store, had a bite to eat and looked around the store, Wow, they have a lot of nice gifts and reasonably priced. Thanks Sue for including me very much appreciated.

7/29..Howard and Kathy King left town to go and visit Family in Connecticut, while there they went to the Peter Pan Musical that her cousin Doreen was playing in. Kathy got to visit her three daughters and their Family members. They enjoyed being with Family and tried to keep cool as this hot & humid weather was a nuisance every where. Penny Lumbrá said the best place has been in Trout River down near Comstock Bridge, cools one off.

8/2..Mike and Sandy Daudelin came early in the morning to decorate the Fellowship Hall at the United Methodist Church, prepared for a 90th Birthday Party for her Mother Martha. Saturday was the day of the party for the Families to come together for a luncheon of salads, and one of the most beautiful decorated cakes that Sandy had done with pink roses and pearl beads that she had made, they looked so real. The hall was so pretty in pink and white balloons and flowers arranged in cute little tea pots. Everyone had a good time and it was a surprise to Martha. Martha lived here in the Village several years ago before moving to Richford. Martha taught Sunday School for several years at this Church, a wonderful place for a 90th party. Happy Birthday & Lots of Love to You. Martha!!!

8/3..The early morning we had rain and finally cleared up so the Farmer's Market was able to set up for the forenoon. But the wet grass and when the sun came out made it even more humid, but the people at the Farmer's Market stuck it out. Bless their hearts.

8/4..Our first Sunday of a new month, John Gorton planned and officiated the Church Service, and we had Holy Communion. John's message was entitled "The Power and Responsibility of Preaching." Our organist Patrick was back with us, as he took some time to enjoy some time in Maine with his wife Sharon. John has met with Roberta's daughter Pamela Martin Harris and her husband Scott Harris and they have scheduled a Candlelight Service for Sunday Evening August 11 at 7 p.m. to be held on Taylor Park In Enosburg Village. This terrible tragedy has affected so many people near and far.
