

Meeting of the Montgomery Recreation Board
Minutes for November 2, 2020

The meeting, which was held on Zoom, was called to order at 5:35.

Present: Peg Doheny, Marsha Phillips, Nelson Mayhew, Brendan O'Shea, Corbin Erwin, Lisa Perry

The minutes of the last meeting were reviewed and accepted.

Equipment: Snowshoes will now be available at Montgomery Properties. Residents can borrow them for their use.

Insurance: The town clerk asked for an update for insurance coverage for the Rec Center. Estimates were submitted for structures and equipment.

Maintenance & Grounds: Since there is no skating program or Teen Center at the Rec Center, we are looking at shutting the building down for the Winter. Marsha will contact the plumber that is used by the town. We'd like to drain the water to winterize the building and also get an estimate for an upgrade to the very old furnace.

Grants: The Rec Department received a \$700 grant from Rise Vermont. This money will be applied to continued trail construction on the land surrounding the Rec Center. A motion was made by Peg, seconded by Marsha, to pass that money on to Grateful Treads to put toward the project. All voted in favor. Members of Grateful Treads will be invited to the December meeting so we can hear about plans for the next phase of the project. Thanks to Brendan for following through with the grant.

Fall events: A Trunk or Treat was held and was a successful way for kids to celebrate Halloween safely. Thanks to Journey Johnston for organizing this.

The meeting was adjourned at 6:05.
