

Meeting of the Montgomery Recreation Board
Minutes for December 7, 2020

The meeting, which was held on Zoom, was called to order at 5:35.

Present: Peg Doheny, Marsha Phillips, Nelson Mayhew, Brendan O'Shea, Lisa Perry

The minutes of the last meeting were reviewed and accepted.

Trails: Looking at a way to keep the multi-use trails around the Rec Center packed and open for snowshoeing. This would be a good activity for school children as well as community members in general. Members will follow up with a couple of ideas to see if this is feasible. (Snowshoes are available at Montgomery Properties for use.)

Maintenance & Grounds: The Rec Center building was winterized and the internet service was changed to "vacation mode". A plan for changing the current old and inefficient furnace to a new system in the future was discussed.

Grants: Brendan has applied for additional money from Rise Vermont that is available for town recreation projects. If received, this money could be applied toward trail maintenance for snowshoeing and/or future projects.

Financials: Marsha presented a current printout of the Rec Department financial report. This was reviewed and discussed.

The meeting was adjourned at 6:05.
