

Meeting of the Montgomery Recreation Board
Minutes for August 3, 2020

The meeting was called to order at 5:35.

Present: Peg Doheny, Marsha Phillips, Journey Johnston, Brendan O'Shea, Lisa Perry

The minutes of the last meeting were reviewed and accepted.

River Walk: The park is looking very good. Work is being done on the base paths.

Facility Use: There was discussion about the school using the pavilion and rec center grounds for optional student spaces this Fall. This may be helpful in keeping students socially distanced and outside as much as possible.

Arts for the Parks: Various ideas are being considered and explored for this year since we will not be able to have the usual dinner/auction due to Covid-19 restrictions.

Maintenance & Grounds: Work was done to install the Gordon Brebner commemorative bench near the tennis courts. We will look into having some improvements done on the rec building windows to make sure they are weather tight and secure. Peg will contact the tennis court repair company for some patching that needs to be done near the building.

The meeting was adjourned at 6:40.
