

LOIS WITH THE MONTGOMERY NEWS, JANUARY 26, 2020

1/21..Jordan Wiebler and our great Niece Danielle Russell were afternoon visitors at our home, they were up from North Carolina visiting her grandmother Roberta Martin in Enosburg. I had invited them to come for lunch but they had other plans but came by later. I had made them apple fritters to enjoy and they took most of them back to Grandmother Roberta's home. While in Vermont Danielle got to visit Family and Friends; before returning home they went to New Hampshire to visit friends she grew up with before moving to North Carolina.

1/23.. How many saw the big circle around the sun on Thursday? I first saw it coming back from St. Albans with Maggie Elkins. Later in the day our daughter Veronica took a picture of it and sent it to me. It was spectacular!!! She always takes her camera while out walking her dogs, and often gets some spectacular pictures. She usually shares her pictures with me and her Dad. We love them.

1/23..Early in the morning Terry Zartarian answered her telephone and it was her son Johnny and he told her to get dressed as he was coming by to take her out for breakfast. When he arrived at the door he was not alone he had his two sons Max and Ryan; his two brothers Bobby and Mark. WHAT A SURPRISE!! SHE did not know that Bobby and Mark were in town, they went to the Center to have breakfast at the "Blue Bike Café" and shortly after everyone had settled down brother/son Joey came to have breakfast with them. Terry was in seventh heaven having her boys all together. A mother with so much love for her boys and all of her family members. God Bless!!

On January 30, the Quilting Circle will meet at the home of Therese Begnoche at noon time, each will bring their own sandwich and Therese will have soup for everyone. After lunch the plans are to work on the STORY Teller's Quilt. Please bring your quilt blocks, material and patterns and they plan to get it planned out and possibly start working on it. They plan to get back making their Sunshine Quilts and Show-N-Tell items. To many it seems like an eternity since the last meeting, it will be wonderful sitting around the table and make plans, catching up on our holiday time with our family and friends.
