

LOIS WITH THE MONTGOMERY NEWS, MARCH 8, 2020

3/9. What a gorgeous afternoon, the temperature on the sunny side of the house is 50 and the sap is flowing, so I hear. Our daughters Veronica and Penny stopped in for a visit, Penny wanted to get outside and get some precious sunshine, Veronica went over to see Maggie Elkins for a few minutes. On Saturday afternoon David Hanna stopped in to say hello, he has been a friend for years, lives in Canada and owns property and a home on West Hill.

2/20-3/6.. Mike and Linda Carpenter and their two children Sydney and Cole have returned home after a spectacular vacation in New Zealand; while there they attended the wedding of their niece. Linda's brother Bob and wife Sheila Perry were in attendance and they all had an amazing time. They enjoyed the many beaches, parks and touring around was so beautiful, just could not ask for anything more gorgeous. The only thing about the whole trip was the flight..seventeen hours flying is a bit much.

3/3.. Our Town Meeting event had a good turn out and our State Rep. Felisha Leffler came to update us on what is going on in Montpelier, and she answered questions from concerned people. Thanks so much Felisha.

3/3.I'm sure everyone has heard about the tornado in Nashville, TN. It was very devastating to the state, my brother-in-law sent me pictures as he and my sister live only about ten miles away. They were awakened in the night when they heard the siren blaring. Plus there were many pictures on the news stations. My sister told me the winds sounded like a freight train, and others have said that same thing. We have high winds from time to time and again they sound frightening also. Thankfully no tornado's for us.

Lorraine St.Onge has returned home after two weeks at her Florida home. She needed to have a change of scenery and when I stopped in Friday she looked so rested and was glad to be back home.

3/6. Our March First Friday Senior Luncheon was well attended. A very SPECIAL THANKS to Parma Jewett for her delicious prepared dishes she made for the luncheon, and all the candy rose buds she made for each of us. Thanks to Judith Darencourt for getting together volunteers to come and set up and clean up. Thanks to every for your kindness and help. God Bless!!

3/6. Great Grandparents Billy and Denise Baker proudly announced the arrival of Great-Grandson Hudson John Baker, weighing in at 7 lbs & 15 oz, 21 inches long, to proud new parents Jarad & Marris Baker; Grandparents Billy and Roberta Baker. Billy and Denise were at the First Friday Luncheon at 11:45 and little Hudson was born around 10 a.m. and a picture of him was shown at the luncheon by Billy on his phone. Isn't that amazing!!! After the luncheon they were off to meet Hudson in person, everyone is happy and doing well.

We have been saddened by the death of Rachel Robitaille on 3/6. To all of her Family and Friends we send our Sincere Sympathy and Love to all.
