

LOIS WITH THE MONTGOMERY NEWS, APRIL 14, 2019

This has been a busy week, our rummage sale is filling up our church, and other places that are made available to us. 4/13..many of us were outside as we have to enjoy the sunshine, and our next door neighbor Jimbo Schley has moved his girlfriend Ellen and her three children in with him, we have Anya, Ada and Everett. Its nice having young ones around, plus their kitty Bailey is friendly, but our dog Willee is not as friendly YET, as he usually gets along with cats. It will just take a little time. AS I finish up this column it has started raining, hope the weatherman is wrong when he said our rivers might flood on Monday.

4/9..Our April 500 Card Club met at the lovely home of Carmen and Dean Scott. She and Denise Baker had everyone come for lunch as they prepared for Debi Chauvin, Debi recently had surgery and needed to take and easy. Debi prepared our score cards with an Easter theme, they were beautiful. Carmen had made delicious hot sandwiches, and a ziti dish, salads, and Denise made the dessert. It was a great beginning to a wonderful afternoon of laughter and fun. Denise took high score for the afternoon 3860, second high was Sue Cherrier with 2970, low score was Sue Peters with 1550, taking most horses was Rita St.One with a total of 5. Rita has been playing in the absence of Marge Cummings. Sue Wilson stepped up and played in the absence of Linda Van Gieson, Linda has been having a cold. Linda V, will have the next meeting on May 14th. We, experienced an afternoon of sun, rain and a snow squall while playing cards. I could not believe there was so much snow up that way, as we here in the Village the snow was nearly gone except the icy snowbanks, and as I write this there are still some hanging on.

4/13..What a gorgeous Saturday we all had to enjoy, YES, the wind was a bit chilly we still need to wear a wind breaker. Gregory Hall came by and he and Sonny had a nice time reminiscing. Sonny worked for his father Maurice Hall for many-many years as his masonry tender. Just riding around we often come across chimneys that they built.

David and Tracey Brown have returned home after meeting up with their daughter and family Wyatt, Leah and their son Coyt Zipan of Wyoming, and Tracey's Brother Roy Reed, all had a wonderful family gathering in Arizona. Coyt is a precious grandson and growing like a weed. (Thanks for sharing your news Tracey)
