6/11.. The 500 Card Club was invited to come to Deborah Chauvin beautiful log home for lunch and to play cards following our lunch. She had prepared a nice hot sandwich, potato salad, veggie salad, and chips and dip, cold drinks or tea, and a fruit pizza for dessert..It was all so delicious. Thanks Deb!! I over heard several of us saying we did not get good hands, the kitty wasn't any good, etc. But Connie McFarland had a few good hands and took high score 3700, second high was Denise Baker 3080, low score was me with 1060 and most horses went to Carmen Scott. Roberta Morin was sub for Lorraine Gillis, she was not feeling well..AND I hope this finds her feeling better. Sue Cherrier will host the next meeting at her home on Wednesday, July 10.

6/13.. There were eight members of the Green Mountain Ruby Reds that joined with seven other Vermont groups at the Quarry Hill Banquet Hall in Burlington. We were all greeted and given a program of our daily event. There were eight ladies doing a fashion show..hilarious homemade outfits accompanied by music. The ladies had prepared 40 beautiful baskets and all were beautifully wrapped to be given to the ticket drawn. There were four ladies in our group that won baskets of goodies, the 50/50 raffle was won by Yours Truly, and the eight ladies from New York entertained us for an hour, just hilarious fun and laughter. We had all ordered ahead of time for our meals, either salmon or beef..strawberry shortcake. This is an annual event that is put together by our Vermont State Queen Vi Hunt of Jericho area. It's was a hoot!!!

6/15..There were 17 Vendors that came to the first Farmer's Market. It started out rather cool and breezy but no rain to dampen anyones spirit. There was all kinds of things to purchase and I think everyone did okay. The sun made its appearance just about closing time.
