**9/7.. What a wonderful Saturday morning came with sunshine after the rains ended before the Farmer's Market started. There were 10 vendors present, and it was rather a quiet day, until it was nearing time to go home. The fresh veggies and baked goods always seem to go well. Our daughter Veronica deSaintPhalle from Johnson and her daughter Samantha Royer came by after the Farmers Market and visited. Samantha was here waiting for her father Rocky Elkins to pick her up, as she came to attend the Committal Service of her Aunt Charlotte Elkins Parent. God Bless the Families and Friends of Charlotte. May we extend our deepest Sympathy to all her Family and Friends.**

We have to down size and NO PLANS to have a tent outside, SO FAR people have been kind in understanding our position, our needs are for items that we have inside the Church. PLEASE, items must be clean, before giving it to a church sale, ASK yourself would you go and buy it if you see it at a sale? We have to discard and WE HAVE to pay for garbage removal.
