1. Approve minutes of Meetings – 12/21/2015

Minutes were not approved as there was no quorum of Center Cemetery
Commissioners

2. Revision of By Laws

There was discussion regarding proposed revisions to the current By Laws which included lot sizes, vaults for burial and cremation, maintenance of Village Cemetery road, cost of burial lots, minimum purchase requirements, perpetual care funds as required by state statute. Also discussed was the possibility of merging the four cemeteries in Montgomery, including the Clapp Estate and West Hill Cemeteries, and combining funds, as the Treasurer of all these cemeteries is the town treasurer; noting that each Cemetery Board would still have the authority to manage those funds.

No motions were made and discussion on the items relating to the revision of By Laws will continue at a future meeting with more members present.

3. Other Business

No other business was discussed.

Lois made a motion and was seconded to adjourn the meeting at 8:40pm. So moved

Respectfully submitted:

Lynda Cluba
