The meeting was called to order at 5:35

Last month's minutes were reviewed and accepted.

Winter Recreation: Hours on Tuesday and Wednesday afternoons have been arranged for Montgomery residents to skate for free at the Ice Haus at Jay Peak. People can refer to the Jay Peak website or Facebook postings for the hours. Skate rentals are available at a discounted rate at Jay. There are ice skates available at the rec center that can be borrowed for the day or for the season as well. Also, there are snow shoes available to borrow at Montgomery Properties.

Memorial bench: There was discussion about a bench in memory of Gordon Brebner. Brendan will get a mock up and price quote for a metal bench that could be installed at the rec center or river walk. These will be reviewed at the next meeting.

Budget: Income and expenses for the coming year were discussed. The Rec department will ask for level funding this year in our budget. Brendan presented information about a buildings and grounds grant available from the state. He plans to apply for funds that would help cover the cost of the needed work on the tennis courts and pavilion roof. Brendan will also work on the year's summary for the town report which must be submitted by the end of the month.

The meeting was adjourned at 6:40.
