

Minutes of the Montgomery Recreation Board  
December 4, 2017

Present: Peg Doheny, Brendan O'Shea, Lily Powers, Corbin Erwin, Lisa Perry

Meeting was called to order at 5:35.

Last month's minutes were reviewed and accepted.

Multi-use trails: work was done to rough in the pump track portion of the trail system. Work will continue when weather permits.

Ice: we would like to install a smaller, more manageable ice rink at the rec center. We could see how this system works in terms of ease of set up, maintenance, and size. Perhaps we can look toward a more permanent option involving expansion of the basketball court surface or a cement surface near the playground. a motion was made by Lisa to purchase a liner and hardware for a smaller ice rink (approximately 30 x 50) not to exceed \$350. Peg seconded the motion. All voted in favor.

Grant opportunities: the deadline for Wild and Scenic grant applications is February 2. The board discussed potential projects at River Walk such as trails, boat launch ramp, stairs to the water, replacement or repairs to benches and picnic tables.

The next meeting will take place on Monday, January 8 due to the holiday.

Meeting adjourned at 6:55
