

Montgomery Recreation Board
Minutes for February 5, 2018

Present: Peg Doheny, Brendan O'Shea, Lisa Perry

The meeting was called to order at 5:35

Last month's minutes were reviewed and accepted.

Ice: the smaller rink is up and running. It would be great to have someone that is passionate/ committed to keeping the rink shoveled and the ice smooth. Weather conditions have been challenging this season; the extreme cold and blowing snow have limited use to some degree and made it difficult to keep clear, smooth ice. The attendants are doing their best keeping up.

Summer Sessions: Peg will contact Jonathan Betts to see if he is planning to resume his role in lining up the bands for the season. Also will contact the fire department regarding booking a band for the 4th of July as they mentioned last year that they might do that.

Budget: Brendan submitted the year end rec department summary for the town report. Rec budget was completed and submitted.

Grant: Brendan filed the application for the River Community Grants Program for work at River Walk Park. This would include improving access to the river, creating foot paths and removal of knot weed. We plan to partner with MRBA and VYCC to get this work done by the Fall if the grant is received.

The meeting was adjourned at 6:35
