

Montgomery Recreation Board
Minutes for May 6, 2019

Present: Peg Doheny, Marsha Phillips, Nelson Mayhew, Journey Johnston, Brendan O'Shea, Lisa Perry

Guests: Heather Moore, Renee Roddy, Tiffany Jones, Keith Sampietro

The meeting was called to order at 5:30.

Last month's minutes were reviewed and accepted.

Canoe Trips: The Rec Department received a grant from the Wild & Scenic Organization for canoe trips this summer for students aged 10 - 16. There will be two overnight trips and two day trips that will take place in July and August. Keith Sampietro will run the trips and will also provide informational meetings before hand for participants and their parents.

Grounds: Brendan presented a quote for the Gordon Brebner memorial bench. He made a motion to spend up to \$1150 for the bench and it was seconded by Peg. All voted in favor. Tennis court work should commence soon. Nelson is getting the last quotes for roof work on the pavilion. Marsha made a motion to spend up to \$300 for a pallet of sand for the sand box. This was seconded by Lisa and all voted in favor.

Field: Work is desperately needed on the main field at the rec center. Nelson is trying to line up the person that works on school fields, but he is very busy. Most likely, work will happen in the Fall. It would be helpful to use River Walk for some of the soccer play to take some of the pressure off the rec field.

Day Camp: LEAPS funding was secured and they will run an afternoon camp this summer from noon to 5:00, Monday through Friday at the Rec Center. Rec camp will run in the morning from 8:00 to noon. Breakfast, lunch and snack provided. Dates for camp are July 1 - August 2.

Trail: Brendan made a motion to contribute \$1000 to Grateful Treads for their continuing work on the pump track and the multipurpose trail between the school and the rec center. This was seconded by Nelson and all voted in favor. Marsha will pick up and check.

The meeting was adjourned at 6:45.
