Last month's minutes were reviewed and accepted.

MRBA/Wild and Scenic: Lindsey presented a sign their group made up which encourages people to remove litter from beach/swimming areas. They will put a couple of these up at River Walk. She also explained the new system to borrow boats that is available in Enosburg. MRBA will host the final concert of the Thursday Summer Sessions, "Blue Grass against Blue-Green Algae", as a fund raiser on August 16.

Tennis: Some cracks have opened up on the courts. Lisa will call Advantage Tennis for advice on how to best address these without a major repair cost.

Summer Sessions: The season is going very well with good crowds enjoying great music. The donations collected in the bucket each week and money from the vendors have been deposited.

Grounds/Maintenance: the roof on the pavilion needs to be replaced. We will post the job to get bids for the work which should be done this Fall or in the Spring.

River Walk: The VYCC work crew will be at River Walk the week of August 13. Their plan is to build a canoe access as well as some other projects. Rocks will be delivered there this week. The crew has been granted permission to camp at River Walk during their work week.

Trail Dedication: Grateful Treads held a dedication ceremony for the multi-use trail which connects the rec center and the school. It was dedicated to Jay Adams during a ribbon cutting and celebration held on August 5.

Art for the Parks: The event is scheduled for September 29. Key people are being contacted to start planning the menu and art collection.

The meeting was adjourned at 6:40.
