

Meeting of the Montgomery Recreation Board
Minutes for March 1, 2021

The meeting, which was held on Zoom, was called to order at 5:30.

Present: Marsha Phillips, Brendan O'Shea, Lisa Perry

The minutes of the last meeting were reviewed and accepted.

Summer Events: COVID restrictions for this summer are not known at this time. Board members are hopeful that we will be able to offer some programs. Perhaps the Rec can work together with the LEAPS program to explore opportunities for day camp activities. Marsha will invite Rene Roddy to the April meeting to discuss collaboration with the school. Brendan will start communications around summer sessions. Of course, all plans will ultimately depend on the status of the pandemic and any state guidelines around summer camps, concerts and other outdoor activities.

Signage: Discussion continued about signs for River Walk/Kaleb's Field and for the multi-use trails at the Rec Center. Brendan will work on getting mock ups that can be reviewed.

Maintenance & Grounds: Mowing work for the Rec Center and River Walk for this season will be put out for bids. Solar energy possibilities were discussed. Wondering if there is any interest at a town-wide level to install solar panels.

Trails: The multi-use trails are being used for winter activities such as snowshoeing. There is still more work, including addition of more trails, to be done. This will likely move forward in the Spring. Also looking into making a walking trail from the MCA to the Library/PSB.

The meeting was adjourned at 6:35.
