3. Treasures' Report. Balance \$1103.02 and this year collection for garden plots so far is \$370. Total \$1473.02
4. The long narrow plot will be donated to plant pumpkins. This will be a river walk community garden project. It is hoped that everyone can contribute towards keeping this plot weed free.
5. **Clean up will be this coming Saturday, April 17th at 10:00 a.m.** It is hoped that everyone who have a plot will show up and help with the clean up. Please bring a salad or some other dish to share for lunch. Hot dogs and hamburgers will be provided. If it rains, back up date will be the 24th of April. However it is suppose to be a nice day. Duane will there after lunch to till up the plots.
6. All gardens members please do not placed rocks in the walkways. All rocks should be thrown in the brook. The community gardens still have a lot of work to be done to get it back in shape after the flood. If everyone could kindly pick up around their garden area it would be a big help. We need to get our community gardens back in shape.
7. I big tip of the hat to Remi who last year donated \$500.00 to Sylvester Excavation to get a large portion of the sand removed.
8. Please let Parma know if you want any straw this year. Cost is \$8.99 per bale.
9. David suggested that we put out a table for free vegetable for the public. If members have extra vegetables they can be put on this table. Everyone agreed it was a great idea.
