

## LOIS WITH THE MONTGOMERY NEWS, APRIL 25, 2021

I see that it's a little after three and time to get something down on paper for my reading audience. No one called me to share any news. SOOO, I took a few minutes and wrote you a little poem.. Did we have April showers; To bring out our beautiful May flowers. Time will tell as the weeks go on and on.. Trees are leaving out and green grass popping up on our lawn. Did April first fool us all, with the warm temperature's up to 70 degrees...Bringing on early allergies and the road dust making us sneeze. These two weeks made all the back roads muddy, the worse ever seen, so many say; The Selectboard had to get a quick meeting that very day. There were Contractors called to come and help our Town Crew; As these back roads need a quick attention, they all knew. Billy Baker Sr. was called out of retirement to come and help out; As he had worked for the town and knew what it was all about. The local Contractors came to help and some from another town, There were lots of trucks bringing in dirt, stones from all around. I Sincerely Thank everyone that came to help, from the bottom of my heart. As I write this we still have another week of April before another month is to start. Listening to the weatherman we have a week of sun, some rain and maybe snow.. What ever Mother Nature brings we will get through it, that we all know!! So regardless of all the cold winds, rain and snow making a muddy mess. Just be Thankful for each other and may GOD BLESS!!

I am going to mention that there will be an IMPORTANT ELECTIONS UPDATE FOR MONTGOMERY ON MAY 24 FROM 10 A.M. – 7 P.M. \*\*A concert had been scheduled for all the city stars to come and perform. Miss Handbloom, the favorite soprano was to sing, but before she started to sing she apologized for her cold. Then she sang, "I'll hang my harp on a willow treeeee..Ahem.. On a willow treeeee..Oh. Her voice broke on the high notes each time, she tried it again. Then a voice came from the back of the hall, TRY HANGING IT ON A LOWER BRANCH. LADY.\*\* Just about the time a woman thinks her work is all complete..she becomes a grandmother\*\* This is all for now and have a good week as April comes to an end. God Bless.. M.L.T.A.
