HEARING: THE FUTURE of the MONTGOMERY TOWN FOREST

Hosted by the Montgomery Conservation Commission

Wednesday June 30th 2021

6:30pm

Town Hall/Grange

The Town of Montgomery Conservation Commission will be hosting a public meeting on **Wednesday June 30, 2021 at 6:30 PM at the Grange** to seek input and discuss the vision and management strategies for the Montgomery Town Forest.

Our Town forest consists of 50.3 acres located west of West Hill Road and adjacent to the Enosburg town line. A draft management plan is available for download on the town website (<https://montgomeryvt.us/>). This meeting is your opportunity to offer input on the draft management plan, and to vision and help prioritize strategies for the forest.

Hope to see you there.
