

Montgomery Recreation Board
Report for August 2, 2021

There was no formal meeting this month due to lack of a quorum. Members present discussed the following:

Summer Sessions: The concert series continues with shows on August 5, August 12 and August 19. The live shows are free and take place at the Rec Center from 6-9.

August 5: Seth Yacovone Band

August 12: Mountain Says No & Sad Turtle

August 19: Ben Patton

Arts for the Parks: We are currently planning to hold our annual fundraiser at the Grange on October 9. Of course, we are closely monitoring the changes in infection rates and state guidelines. We will re-evaluate in September.

Rec grounds and Maintenance: The basketball court is being paved this week. Tiffany is starting a clean out of the shed. Building maintenance work will continue once camp has wrapped up.

Day Camp: Camp continues to run smoothly. There are a lot of students participating and programming is going very well. This is the final week.

Adjourned at 6:15.
