

LOIS WITH THE MONTGOMERY NEWS, SEPTEMBER 26, 2021

It's almost 5 p.m. and had a busy busy day. I usually have some news in save as and continue on Sunday afternoon's. This week we have had some nice weather to enjoy, there has been a bit of coolness in the air and breezy at times. The hill our across the way we call it West Hill view and the leaves are changing fast and so pretty, when the sun shines on them.. Right now it looks like we could get some rain it is getting a big dark cloud rolling around. Our Pastor Bonnie Hovermann said Goodbye to us as she has a calling to another United Methodist Church in Swanton. We all wished her well as she was leaving to go home.

Today I prepared a Birthday dinner for Penny and invited her son and his girlfriend to join us. Veronica stopped in while in town, she had business to attend to and later wanted to visit with her friend but she was away. So we had a nice chat sitting around the dining room table. We enjoyed going through the album Veronica had put together for our 50<sup>th</sup> anniversary. We now have 12 more years to add to that 50, yes we will celebrate 62 years on the 28<sup>th</sup>. No, it doesn't seem it, but our oldest in now 60, Sonny said No wonder I am getting old, my kids are getting old right along with me. We can be blessed to have these years together and enjoy what we have with our children, grandchildren and great grandchildren. Look at what two people created in those few years!!!

A beautiful wedding took place Saturday 9/25/21 here in town..Brooke St.Onge and Bryant Boissonneault were united in marriage at the home of her Father Artie St.onge, officiated by David McGinley. They celebrated with their Family and many Friends. (May your marriage be strong and blessed all the days of your lives. Congratulations in finding your true love.)

Of course I've heard of cows, the first farmer barks, I've got a whole flock of them!. \*\* This will have to do and take care and be careful out in your travels.. Stay safe..I guess that means we are having to wear masks again. Share your news with me Please. My Love to all..
