

LOIS WITH THE MONTGOMERY NEWS, JANUARY 9, 2022

WHAT..another stormy Sunday, it was 10 above when we went to bed last night and it has been warming up rather slowly since and its staying right around 30 with something falling most of this Sunday. We had Church Service on Zoom. Our District Superintendent had made a date with us that she would come and do a Sunday Service and have Communion on this day. She contacted Merle during the week that she has come down with a cold and would not be able to come but she would do a service on Zoom. We all agreed to go on Zoom and that went very well, and looks like we will be going on Zoom for the next two weeks. This Covid Virus seems to be hanging around and there is a lot of sickness and therefore it will be better if we stay home and remain safe. Thanks to D.S. Jill C. Robinson for her planning the Sunday Service and we want to Thank Patrick and Sharon Evans for playing and Singing the new Hymns. We were all Blessed to be together and Thankful that we can meet on Zoom.
