Summer Camp: Renee gave an update on the schedule and activities planned so far. Camp will run from July 5 to August 5, from 8:00 to 3:00 each day. Breakfast and lunch will be served. There are many fun and engaging activities planned, including field trips, special guest presenters and the separate program for middle schoolers.

River Walk Park: A budget was discussed to pay for field improvements. The field needs topsoil and seed in many patches and we will put rocks along the road side of the park to deter drive-on vandals. Peg made a motion to spend up to \$3500 for the work and supplies. Second by Lisa and all voted in favor. Brendan brought forward a plan to add frisbee golf to River Walk. He will investigate options for "holes" and the layout of a nine hole course.

Grounds & Maintenance: 1. There are multiple repairs and projects to be done at the Rec Center including painting structures, power washing courts, and installation of equipment. Marsha made a motion to spend \$5025 to pay Bill O'Brien to complete these projects. Second by Peg and all voted in favor. 2. Peg made a motion to spend \$230 for a volleyball net. A question was raised about whether the school could contribute toward upkeep of the fields and purchase of sports supplies since the expenses are for school programs.

Summer Sessions: Fund raising has begun! The donor letter was sent to prospective donors. Marsha will also post information on Facebook. Journey is getting thank you's out to donors. We'll get the poster made so it can be used to get the word out too.
