The ending scores went to Connie McFarland with high score of 3170, second high to Marge Cummings 3070, Sue Wilson had low score, and most horses went to hostess Debbi with 4. Anita Woodward will host the November gathering.

10/12..We had a surprise visit come by Wednesday, our sister-in-law Jean Corse and our niece Nikki were out checking the foliage and stopped by to say Hello. Sonny and I have had this awful cold and we visited out on the porch, did not want to invite them in as this germ has been terrible, it just wants to hang on and on and on.

Received word of the death of Richard Ryea this week. Richard and Prudy moved from Montgomery to Richford, where he had a great business going, entitled "Richard Ryea & Sons Masonry" and opened up the business at "People's Plaza." Family and Friends gathered Friday evening at Goss-Spear Life Celebration Home in Enosburg. Saturday a Mass of Christian Burial was held at St. Isidore's Church with Father Charbonneau officiating the Service, in Montgomery Center, following the committal Service at St. Isidore's Cemetery. Everyone was invited to come at St. Isidore's Parish Hall for a Fellowship meal that was catered by Phoenix House from West Berkshire. The Ladies of St. Isidore's took over and did the serving, had set up all the tables and cleaned up afterwards. Thanks to all that helped out, it was greatly appreciated.

Connie McFarland lost her brother this past week also, Walter Lumbrha has been in Morrisville "At The Manor" the same place their sister Theresa Lamore had been. Sincere Sympathy is extended to both these Families and Friends. God Bless You All!!

10/16..Its a beautiful sunny and warm afternoon, Sonny and I have been out on the front porch waiting for the arrival of Penny. She arrived and we had a nice long visit, her family has not been feeling well, this germ is making itself known. Our Church Service went on even though there was a lot of sickness around. This was Laity Sunday and with only 5 of us in attendance we took part during the Service and got it done. God Bless all of our Church Family and hope He makes them all well again.
