

LOIS WITH THE MONTGOMERY NEWS, JANUARY 22, 2023

Another cloudy, cool Sunday. John Gorton came with his prepared Service he had put together for everyone to enjoy. He said that he was a bit tired this morning as he and his Grandchildren had enjoyed celebrating a Birthday at Jay Peak water park. There was lots of energy used keeping up with youngsters, as we get older we sure feel that lost of energy the following day. It sure was enjoyable and lots of fun. We have several new people on our Prayer Request that are in need of our Prayers, and for so many of us that remember Rev Ed and Judy Sorrell they are both sick, their grandchildren, and other close members of their Family. We will always have a special Love for this Family, Ed served us for 16 years. Following our Church Service today we had an Administrative Board Meeting to Approve the 2023 Church Budget.

This week the Electrical Light Company was here in town, We have new lights put up around the Village and they are so different, but cool. This same day the new lights were put up I went to Enosburg with Maggie and in one of the many corn fields, there were many turkeys eating. It has been an open season for them, maybe this new snow storm predicted for Sunday night into Monday will be to deep for them to find food. But no signs of deer yet at least in my travels. There has been a deer coming on our back yard but its during the night, only see its tracks.

I 'am using this space to say Thanks to Trevor Walker for letting me use his Snow-blower Saturday morning, just to get a feel of what it would be like to use one, very neat and I enjoyed it. Trevor cleaned the snow off the sidewalk as most of us have to walk in the road going for the mail. Our sidewalk is safer to be on.. Trevor, Thank You so much, the sidewalk was put back to good use right after it was cleaned, it IS appreciated. And to think I used to shovel it all, but can't anymore. I still shovel but not as much as I once did, I really liked the snow-blower.

Happy Birthday to: John Kuryloski 1/30; Jim Cota, Sophia McAllister, Jim Townsend 1/31; Sue Stryker, 2/1; Rohan Hardy 2/2; Lorraine St.Onge, Eric Mercy, Lila Blanchard 2/4.

Anniversary Wishes to Bobby and Aline Baker 2/2.

**1 Husband..She says I keep pushing her buttons. If that were true, I would have found mute by now. 2. I am on two diets, I wasn't getting enough food on one.

Just look at the date on the calendar and January is fast moving on. I am always wanting news from you here in Montgomery, I will be happy to do it for you. Sharing my Love with all of you. Have a nice week...
