

LOIS WITH THE MONTGOMERY NEWS, APRIL 16, 2023

What a gorgeous week this has been, good for almost anything except trout fishing or swimming here in the Trout River or Black Falls Brook. The snow has been melting pretty rapidly and that water is COLD. Anyhow Penny and I have been busy doing lawn work and cleaning up outside, just to keep ahead of the wet weather that is headed our way. The rains will make the grass grow and then its time to mow lawns. Is sugaring over for this year? The trees are budding, I heard from a source saying it was and only about 75% of the crop made this year. I had new syrup on my pancakes at the Dairy Center this week and it was Yummy and so were the pancakes.

The 500 card Club met at the home of Sue Wilson for the afternoon of April 11. Sue had snacks for everyone to enjoy at their convenience. Brent Godin and Debbi Chauvin were high and second high 3190 for the afternoon and they split the pot; Linda Van Gieson had 4 horses; and low score was Nancy Martinson with 990. It was a fun afternoon with lots of laughter and catching up on what is going on.

I am a little late with getting my news done as I wanted to make contact with someone that went to the dance Saturday night at the Grange Hall. I finally found a great candidate that went. Lisa and Scott Baker from the Center attended and had a great time, she said the music was awesome and not a huge crowd but a nice fun filled evening. This was advertised in the Montgomery Elementary Weekly Newsletter and I had put it in my news column last week, Spring Fling dance for adults from 7-11 p.m. to benefit the 8th grade class trip to Washington D.C. Music by Sibling Riverie. Plus the Cornhole events have been beneficial for the 8th grade class trip and the last event is scheduled for May 6, 3-5 p.m. For info call Robert Cummins 802-326-2606
