

Montgomery Recreation Board
Minutes for July 10, 2023

The meeting, held at the Rec Center, was called to order at 5:30.

Present: Peg Doheny, Marsha Phillips, Brendan O'Shea, Journey Johnston, Lisa Perry
Guest: Renee Davidson, Marty Vallender, Daniel Khan

LEAPS/ Day Camp:

The first week of camp was hot, but went very smoothly. During inclement, very wet weather, camp relocates to the school. Renee submitted a few receipts for miscellaneous items for camp and 4th of July prizes.

Trails:

Trail signs and a map will be installed at the pump house. A new trail and some signage have been completed. There is a tree on one trail that must be removed. Marty will reach out to Avery Stanley for a bid. The one acre parcel which contains some trails between the school and the rec center has just been put up for sale.

Outdoor Fitness Park:

Looking into installing equipment for an adult fitness park at the Rec Center. Cost depends on the choice of equipment and number of pieces. The Better Places Grant could be a source of funding for this.

Grants:

Peg has reached out to both tennis court companies for estimates for tennis court repairs and resurfacing. We are also considering a different option, Premier Court, for a more long-lasting repair. There is a state recreation facilities grant we would apply for to help with the costs.

4th of July debrief:

Old Man Garage Band was well received. Parade and kids games went well. Next year, set up separate lines for different ice cream flavors. Volunteer scoopers did great!

Meeting adjourned at 6:45

Respectfully submitted
